I thirst but never quench, I know the consequence  
Feeling as I do  
We're in a spinning top, where tell me will it stop?  
And what am I to say?  
Open our music book, that only few can look  
And I'll write a song for you

Love is a symphony, hearts in one melody  
'Cause I'll write a song for you  
Sounds never dissipate, they only recreate  
In another place  
There's in your silent night, joy of a song's delight

'Cause I'll write a song for you  
You'll write a song for me  
We'll write a song of love, of love

My magical mystique, finding it all complete  
In your lovely face  
Feelings we try to chase, memories that won't erase  
Stay forever new  
We have a magic box in which is never locked

'Cause I'll write a song for you  
You'll write a song for me  
We'll write a song of love, of love

Love yeah  
We'll write a song of love my baby  
Write a song of love

We have a magic box  
We write a song of love  
We write, write a song of love

Sounds they never dissipate  
They only recreate  
To another place or time  
We write a song, we write a song  
Just you and me baby

We, we're on a spinning top

We write a song  
We write a song  
We write a song
