Girl close your eyes  
And let me love you  
Feel me so close  
My heart beats for you

Oh, baby all the passion and the fire  
I can see it in your eyes tonight  
'Cause desire's in me too

So let me love you now  
Let me show you how  
I'm gonna take you to place so high

'Cause it's all night  
All night lovin', so right lovin'  
My love will drive you crazy

Girl close your eyes  
And let me love you  
Feel me so close  
My heart beats for you

Ooh girl, gonna' love you  
With all the power in my heart  
You really turn me on  
You make me feel free, yeah

So I'll sing you a song  
Making love all night long  
I'm a happy man  
And it's all because of you

'Cause it's all night  
All night lovin', so right lovin'  
My love will drive you crazy

Girl I love your sexy groove  
And I'm always in the mood to love you  
Love only you  
You know just what to do, so lets get to it

Girl close your eyes

And let me love you  
Feel me so close  
My heart beats for you

Girl close your eyes  
And let me love you  
Feel me so close  
My heart beats for you

My heart beats for you  
Won't you feel me?  
My heart adore you  
My heart adore you  
Feel me tonight
