Maurice white & wayne vaughn  
Let this groove, get you to move, it's alright, alright  
Let this groove, set in your shoes  
Stand up, alright  
Gonna tell you what you can do,  
With my love, alright  
Let you know girl you're looking good  
You're out of sight and alright  
Move yourself and glide like a 747  
Lose yourself in the sky among the clouds in the heavens  
Let this groove, light up your fuse, alright  
Let this groove, set in your shoes  
Stand up, alright  
Let me tell you what you can do  
With my love, alright  
Gotta let you know girl you're looking good  
You're out of sight, you're alright  
Tell the dj to play your favorite tune  
Then you know it's okay  
What you found is happiness, now  
Let this groove, get you to move, alright  
Let this groove set in your shoes  
Stand up, alright  
You will find peace of mind on the floor  
Take a little time, come and see, you and me  
Make a little sign, I'll be there after a while  
If you want my love  
We can boogie on down, down, down,  
down  
Let's groove tonight  
Share the spice of life  
Baby slice it right  
We're gonna groove tonight
