Let this groove get you to move
It's alright, alright
Let this groove set in your shoes
Stand up, alright

Gonna tell you what you can do
With my love, alright
Let you know, girl, you're looking good
You're out of sight and alright

Move yourself and glide like a 747
Lose yourself in the sky
Among the clouds in the heavens
Let this groove light up your fuse, alright

Let this groove set in your shoes
Stand up, alright
Let me tell you what you can do
With my love, alright

Gotta let you know, girl, you're looking good
You're out of sight, you're alright
Tell the DJ to play your favorite tune
Then you know it's okay
What you found is happiness, now

Let this groove, get you to move, alright
Let this groove set in your shoes
Stand up, alright

You will find peace of mind on the floor
Take a little time, come and see, you and me
Make a little sign, I'll be there after a while
If you want my love

We can boogie on down
Down, down, down

Let's groove tonight
Share the spice of life
Baby, slice it right
We're gonna groove tonight
