Have you ever, seen a flower  
Tryin to bloom in a dry barren land  
But then comes a sweet, sweet shower,  
Just to lend a helping hand

Like the love of you & I  
All at once it came alive  
You brought love  
and your love is life

Did you ever watch a mother and how tender  
she teaches a child  
And the birds in the treetop, how  
they protect their young from the wild

Girl your love, it comforts me and  
that's my security  
You brought me love and  
Your love is life

Oh Oh Oh...

Now this is a song of love  
Let everybody sing along for love

Yea, Yea, Yea,
