Oh yeah, yeah, yeah

No self-control
(A chain reaction as my body lets go)
A strange kind of light
(The tempo takes me and the circuit excites)

(Magnetic)
The rhythm of a dangerous dance
(Let's dance in the static)
Suck you in twice as fast

(Magnetic)
The rhythm of a dangerous dance
(Let's dance in the static)
Suck you in, you'll never last

Step into the light
Make the spark ignite
Step into the light tonight

No place to hide
(I keep on runnin' but I'm falling behind)
A new kind of beat
(It takes your mind, then it takes your feet)

(Magnetic)
The rhythm of a dangerous dance
(Let's dance in the static)
Suck you in twice as fast

(Magnetic)
The rhythm of a dangerous dance
(Let's dance in the static)
Suck you in, you'll never last

Are we making contact tonight?
(Don't break the circuit, ooh)
I'll be making contact tonight
(Don't break the circuit, don't)

(Magnetic)

The rhythm of a dangerous dance
(Let's dance in the static)
Suck you in twice as fast

(Magnetic)
The rhythm of a dangerous dance
(Let's dance in the static)
Suck you in, you'll never last

(Magnetic)
The rhythm of a dangerous dance
(Let's dance in the static)
Suck you in twice as fast

(Magnetic)
The rhythm of a dangerous dance
(Let's dance in the static)
Suck you in, you'll never last

Are we making contact tonight?
(Don't break the circuit, ooh)
I'll be making contact tonight
(Don't break the circuit, oh)

Step into the light
Make the spark ignite
Step into the light tonight

Step into the light
Make the spark ignite
Step into the light tonight

(Magnetic)
The rhythm of a dangerous dance
(Let's dance in the static)
Suck you in twice as fast

(Magnetic)
The rhythm of a dangerous dance
(Let's dance in the static)
Suck you in, you'll never last

Step in the light tonight
Go make the sparks ignite
Step in the light tonight

Step into the light
Make the spark ignite
Step into the light
(Dance in the static tonight)

Step in the light tonight
Make the sparks ignite
Step in the light tonight

Step into the light
Make the spark ignite
Step into the light
(Dance in the static tonight)

Step in the light tonight
Make the sparks ignite
Step in the light tonight

Step into the light
Make the spark ignite
Step into the light
(Dance in the static tonight)

Step in the light tonight
Make the sparks ignite
Step in the light tonight

Step into the light
Make the spark ignite
Step into the light
(Dance in the static tonight)
