Now, I'm craving your body,  
is this real  
Temperatures rising, I don't want to feel  
I'm in the wrong place to be real  
Woahh and I'm; longing to love you  
just for a night,  
Kissing and hugging and holding you tight  
Please let me love you  
with all my might

Reasons, the reasons that we hear,  
The reasons that we fear  
our feelings a-won't disappear

Oooh! And- after the love game has been played  
All our illusions were just a parade  
And all the reasons start to fade

(Layering Chorus)  
LA-LA-LA-ETC  
After all our reasons why  
All the reasons were a lie  
After all the reasons lo-ove was ne'er decide

And, longing to love you for one night  
Please let me love you with all of my might, baaaaby  
OOOHHH, Baby!

Reasons, the reasons that we hear,  
The reasons that we fear  
our feelings a-won't disappear

Oooh! And after the love games have been played  
All our illusions were just a parade  
And all the reasons start to fade

And, in the morning when I rise,  
no longer feeling hynotized  
For no reasons, our reasons, our reasons  
have no pri-ii-de

(Layering Chorus)

LA-LA-LA-ETC

After all the reasons why

All of the reasons were a lie

After all the reasons lo-ove was ne'er decide

(Phillips last solo) Heeehhhhh, Ooooh, yeaahhh, Oohhh

Baby,

I can't find the reasons

That my love won't disappear

Can't find the reasons

Why I love you ,my baby, my dear

Can't find the reasons

Wanna love you all night

Can't find the reasons

Gotta squeeze ya, real tight

Can't find the reasons

Baby- yeah,

For my tears

Can't find the reasons

Why I love ya....(fade to black)
