Called you up last Wednesday mornin'  
I wanna go to lunch to see you smile  
Said, you had to wait 'til evening

You gotta make a run  
Got another one on the line  
Don't you know your love is mine?

Round and round, you're takin' me, baby  
Round and round  
Round and round, it's drivin' me crazy  
Round and round

If you'd let me girl, I'd show you love  
Stronger than you've ever seen  
Maybe that's not what you're thinkin' of

'Cause you gotta make a run  
Got another one on the line  
Love like this is hard to find

Round and round, you're takin' me, baby  
Round and round  
Round and round, it's drivin' me crazy  
Round and round

Round and round, you're takin' me, baby  
Round and round  
Round and round, you're drivin' me crazy

You can't keep doing me wrong  
In my heart there's love so strong  
Round and round, and round I go  
When I stop you'll never know

Round and round, you're takin' me, baby  
Round and round  
Round and round, it's drivin' me crazy  
Round and round

Round and round, you're takin' me, baby  
Round and round

Round and round, it's drivin' me crazy
