Yeah, hey

When you wish upon a star
Dreams will take you very far, yeah
When you wish upon a dream
Life ain't always what it seems, oh yeah
Once you see your light so clear
In the sky so very dear

You're a shining star, no matter who you are
Shining bright to see what you can truly be
That you can truly be

Shining star come into view
Shine is watchful light on you, yeah
Gives you strength to carry on
Make your body big and strong
Future roads for you to pass
Love to watch your mug past

The shining star, lucky you
The sinful redeeming shall be true
On an adventure of the sun, yeah
Yeah it's all awake and just begun

Yeah, thought I had to stir the mood
That's it now I got my own oh yeah

So if you find yourself in need
Why don't you listen to his words of heat
Be a child free of sin
Be some place, yes I can
Words of Wisdom: Yes I can

You're a shining star, no matter who you are
Shining bright to see what you can truly be
You're a shining star, no matter who you are
Shining bright to see what you can truly be

Shining star for you to see
what your life can truly be
Shining star for you to see

what your life can truly be
Shining star for you to see
what your life can truly be
