Sunday morning  
You're gonna find my love shining on you

You're gonna find my love  
Ooh, I'm waiting  
And I'm forever anticipating  
Your face on my pillow  
You're the sunshine pouring through the window

And like the grapes on the vine  
Love is sweeter with time  
And you were made to love

Sunday morning  
You're gonna find my love shining on you  
Sunday morning  
It's like the best of everything falling on you

Your eyes shining on me  
You're the brightest star in the sky I can see  
Your kiss, I, I'm so thankful  
And the love that you give is so delightful, yeah yeah

And the birds in the tree  
Singing love songs to me  
Saying you was made to love

Sunday morning  
You're gonna find my love shining on you  
Sunday morning  
It's like the best of everything falling on you

Love you baby, I, I love you baby

Sunday morning  
You're gonna find my love shining on you  
Sunday morning  
It's like the best of everything falling on you

Sunday morning  
When we shared sweet love like no other  
Sunday morning

Like a summer day with your lover

Sunday morning

When we shared sweet love like no other

Sunday morning

Like a summer day with your lover

Sunday morning

When we shared sweet love like no other
