How can I know
We're 'bout our best
When more than dreams
Defer to confess
At our best there's worlds between
What would we do
And what we do to me and you
Walk in your shoes

Never mind much
Color of my skin won't tell of how I've been
Shouldn't we rather than

Supposin' 'bout my name
(Suppose)
Supposin' 'bout my game
(Suppose)
Suppose we're more the same
Suppose you like me
(Suppose you like me)

Rather than
Supposin' my guilt to blame
Or that I'll never change
(Suppose)
Suppose we share the pain
Suppose you like me
(Suppose you like me)

What would improve
The way we demonstrate, I do
Commit such a love
Regarding none except you
Continue the bond
Let workin' peace calm all storms
Hold you like me

Never mind the
Amount, account, owe, won't stop how far we'd go
If we would just rather than

Supposin' 'bout my name

(Suppose)
Supposin' 'bout my game
(Suppose)
Suppose we're more the same
Suppose you like me
(Suppose you like me)

Rather than
Supposin' my guilt to blame
Or that I'll never change
(Suppose)
Suppose we share the pain
Suppose you like me
(Suppose you like me)

Rather than
Supposin' 'bout my name
(Suppose)
Supposin' 'bout my game
(Suppose)
Suppose we're more the same
Suppose you like me
(Suppose you like me)

Rather than
Supposin' my guilt to blame
Or that I'll never change
(Suppose)
Suppose we share the pain
Suppose you like me
(Suppose you like me)

Rather than
Supposin' 'bout my name
(Suppose)
Supposin' 'bout my game
(Suppose)
Suppose we're more the same
We're more the same and you like
(Suppose you like me)

Rather than
Supposin' my guilt to blame
Or that I'll never change
(Suppose)
Suppose we share the pain
And you like me
(Suppose you like me)

Suppose you like me
(Suppose you like me)

Suppose you like me
(Suppose you like me)
