Hearts of fire creates love desire
Take you high and higher to the world you belong
Hearts of fire creates love desire
High and higher to your place on the throne

We've come together on this special day
To sing our message loud and clear
Looking back we've touched on sorrowful days
Future pass, they disappear
You will find peace of mind
If you look way down in your heart and soul
Don't hesitate cause the world seems cold
Stay young at heart cause you're never (never,
never,...) old at heart

That's the way of the world
Plant your flower and you grow a pearl
A child is born with a heart of gold
The way of the world makes his heart so cold

Hearts of fire creates love desire
Take you high and higher to the world you belong
Hearts of fire, love desire
High and higher, you, you, you.
Hearts of fire, love desire
High and higher

We've come together on this special day
To sing our message loud and clear
Looking back we've touched on sorrowful days
Future, disappear
You will find peace of mind
If you look way down in your heart and soul
Don't hesitate cause the world seems cold
Stay young at heart cause you're never (never,
never,...)

That's the way of the world
Plant your flower and you grow a pearl
A child is born with a heart of gold
The way of the world makes his heart so cold
