Hearts of fire creates love desire  
Take you high and higher to the world you belong  
Hearts of fire creates love desire  
High and higher to your place on the throne

We've come together on this special day  
To sing our message loud and clear  
Looking back we've touched on sorrowful days  
Future pass, they disappear

You will find peace of mind  
If you look way down in your heart and soul  
Don't hesitate 'cause the world seems cold  
Stay young at heart 'cause you're never, never old at heart

That's the way of the world  
Plant your flower and you grow a pearl  
A child is born with a heart of gold  
The way of the world makes his heart grow cold

Hearts of fire creates love desire  
Take you high and higher to the world you belong  
Hearts of fire, love desire  
High and higher, you, you, you

Hearts of fire, love desire  
High and higher

We've came together on this special day  
To sing our message loud and clear  
Looking back we've touched on sorrowful days  
Well, future disappear

You will find peace of mind  
If you look way down in your heart and soul  
Don't hesitate 'cause the world seems cold  
Stay young at heart 'cause you're never, never, never old at heart

That's the way of the world  
Plant your flowers and you grow a pearl

A child is born with a heart of gold  
The way of the world makes his heart grow cold

And love, and love, and love, and love  
And love, and love, and love  
Well the love, the love, the love  
Darlin' lovely, don't you hear me now?  
Don't you hear me now?  
Darlin', won't you hear me now, won't you hear me  
now?

Hearts of fire, love desire  
High and higher, you, you, you  
Hearts of fire, love desire
