Skip scabrough  
Can this world be a masquerade  
Are you really what we see on the outside  
And hidin' what  
what you really are on the inside  
Pretending that  
you're something you're really not  
Whole world is a  
masquerade  
Everybody, everybody wears another  
face  
Can't you see what you really are  
Pretending that  
you want the world to be a better place,  
Fightin',  
makin' war on your fellow man  
So why wear this  
face  
That makes it seem everything's so great  
Whole  
world is a masquerade  
Everybody, everybody wears  
another face
