Thinking of you  
What would I do?  
I'll be true  
I-I-I'm thinking of you

Not to say that I'm a matchmaker  
When it comes to you, you met your match  
You're inclined to leave me fascinated  
By the things you do, my baby dance, ooh yeah

You can bet your bottom dollar, honey  
I'll be with you through thick and thin, ooh yeah  
I would love to give a testimony  
?Bout the way you are, you're my best friend

I've been  
(Thinking of you)  
Got me wondering  
(What would I do)

Got me thinking  
(I'll be true)  
Oh, got me wondering  
(I-I-I'm thinking of you)

Oh, you're the one that makes my love light shine  
Every time, morning till night  
When that sentimental way you show  
The kind of love makes it alright

What you give is extraordinary  
It's a way of life, I like to live  
I could be with you forever  
?Cause lovin? you gives me a thrill

I've been  
(Thinking of you)  
Yeah, I've been wondering  
(What would I do)

Got me thinking  
(I'll be true)

Oh, got me wondering  
(I-I-I'm thinking of you)

You got me thinking of you, baby  
(Thinking of you)  
You got me thinking of you, girl  
(What would I do)

You got me thinking of you, baby  
(I'll be true)  
You got me thinking  
(I-I-I'm thinking of you)

Girl, I appreciate, the love we generate  
You keep me satisfied, ooh  
Just like the sun that shines, deep in this heart of mine  
Your love keeps shining through

Thinking of you  
What would I do?  
I'll be true  
I-I-I'm thinking of you

You got me thinking of you, baby  
(Thinking of you)  
You got me thinking of you, girl  
(What would I do)

You got me thinking of you, baby  
(I'll be true)  
You got me thinking  
(I-I-I'm thinking of you)

You got me thinking of you, baby  
(Thinking of you)  
You got me thinking of you, girl  
(What would I do)

You got me thinking of you, baby  
(I'll be true)  
You got me thinking  
(I-I-I'm thinking of you)

(You got me thinking)  
Ah, you're here, ah, I'm there  
(You got me thinking)  
Ah, you're here, ah, I'm there  
(You got me thinking)  
Ah, you're here, ah, I'm there
