

Earth, Wind & Fire "To You"

Visit "[To You](#)" on MotoLyrics.com

Don't try to hide the way you feel
'Cause deep inside you know, you can feel it
What's inside your heart can't be concealed
'Cause now or then you'll find, you reveal it

So bring your body close to me
And let me make it right
'Cause I can see forever in your eyes

So, take this love, baby, I surrender
Take this love, baby, love me tender
Take this love, all I wanna do
Is give my love to you

Don't be afraid to give your all, if something is this
good
Can't be wrong, oh, baby, must be right
If it's real inside our hearts
Just look into my eyes, you can see it

So bring your body close to me
And let me make it right
'Cause I can see forever in your eyes

So, take this love, baby, I surrender
Take this love, just love me tender
Take this love, all I wanna do
Is give my love to you

Oh, just try to believe
Though it's hard to conceive
That love, oh, you will find something real
It will define how you feel in your heart

Here's my heart, yeah

Take this love, baby, I surrender
Take this love, just love me tender
Take this love, all I wanna do
Is give my love to you

Now Maurice will say something like

Take this love,take this love
Take this love, give my love to you
Take this love, take this love
Take this love, take this love
