(Turn it on)

Have you been thinking  
Nothing ever changes  
And you could be making a difference tonight  
Why are you waiting anticipating  
Can't fight the feeling, when you know its right

OOOOOh I  
Just want to see you smile  
Forget about yesterday  
OOOOOh I  
Nothing can stop you now  
So what are you waiting for

Turn it on  
Turn on the beat box baby  
Were walking on the party line  
Crank it up  
And let the music turn every night into a saturday night

Whenever your ready  
We'll be rocking steady  
Youre gonna get lucky  
Leaving it all behind  
Times ticking away  
Its alot to celebrate  
So its time to play  
Out on the party line

OOOOOh I  
Just wanna see you smile  
Forget about yesterday  
OOOOOh I  
Nothing can stop you now  
So what are you waiting for

Turn it on  
Turn on the beat box baby  
Were walking on the party line  
Crank it up  
And let the music turn every night into a saturday night

Celebrate  
Turn on the beat box baby  
Are you ready for the good time  
So come on  
Move with the feeling  
Every night is a saturday night

Turn on

Turn it on  
Turn on the beat box baby  
Were walking on the party line  
Crank it up  
And let the music turn every night into a saturday night

So what  
Turn on the beat box baby  
Are you ready for the good time  
So come on  
Move with the feeling  
Every night is a saturday night

Beat box  
Beat box baby
