Cha, cha, cha
Cha, cha, cha
Cha, cha, cha

When you're feelin' that you're movin' up
Always someone tries to make you stop
When you're filling, fillin' up your cup
And someone comes around to spill every drop

When every thing's going strong
And someone doesn't like just what you do
They'll try to make you feel that you're wrong
Pull the rug from your feet before you're through

If you follow carefully
The flow of your energy
You will start to see
That you are a winner

You are a winner

When you're filling, fillin' up your cup
And someone comes around to spill every drop
There is no time for wondering
You're a winner as every day begins

If you follow carefully
The flow of your energy
You will start to see
That you are a winner

You are a winner

Cha, cha, cha
Cha, cha, cha
Cha, cha, cha

You are a winner
You are a winner
Winner, winner
Winner, winner

You are a winner

Cha, cha, cha

Cha, cha, cha

Cha, cha, cha
