i know this love is over  
and there's no turning back  
i know i've made some bad mistakes  
and i'll have to live with that  
and i guess what hurts the most is  
when you say you can't recall  
even one good memory  
from when we had it all

it's like they never happened  
those good times that we shared  
but you and god and i know you were there  
it breaks my heart to see you leave  
with nothing but regret  
oh why cant you remember what i cant forget

yesterday meant something  
at least it did to me  
but i guess are past is just a ghost  
that only i can see  
i wish that you could face the truth  
about the love we had  
look back on the years and say  
it wasn't all that bad

its like they never happened  
those good times that we shared  
but you and god and i know you were there  
it breaks my heart to see you leave  
with nothing but regret  
oh why cant you remember what i cant forget

its like they never happened  
those good times that we shared  
but you and god and i know you were there  
it breaks my heart to see ya leave  
with nothing but regret  
oh why cant you remember  
oh why cant you remember  
oh why cant you remember  
what i cant forget
