Just take some time, tell Him what's on your mind  
He will hear your heart's cry, you know He's standing  
by  
Find a quiet place, and there seek His face  
In spirit and in truth, He'll reveal Himself to you  
Take some quiet time and you'll find  
That He has the answers for your life, Jesus has a word  
for you

Fear not solitude, He will come to you  
When you kneel down in prayer, He will meet you there  
He knows what you need, ask Him for His peace  
'Cause what He wants to do is spend time with you  
Take some quiet time and you'll find  
That Jesus wants to speak to you

What will you do when He comes to you and says,  
"Oh my child, I've been here all of the time waiting  
patiently  
Please don't go away, why won't you stay,  
Stay for a while and commune with me  
This is our time, you and I  
If you won't stay, please tell me why, tell me why  
Tell me why you call upon me then you rush me off the  
line  
You say you love me and that I'm always on your mind  
Oh, you said we'd be together forever Valentine  
And yet you only share just moments of your time."

Take some time to be with Him,  
Renew the vow you made to Him  
The day you gave to Him your heart and soul,  
Brother, I tell you, you can begin again  
Take some time to be with Him, Sister, renew the vow,  
Make some time to speak with Him  
Take some time to share with Him  
To be with the one you love, ah ah ah ah  
Why don't you take some time to share with the one  
you love.
