Title: You're not alone

Say goodbye to all your pain and sorrow
Say goodbye to all those lonely nights
Say goodbye to all your blue tomorrows
Now you're standing in the light

I know sometimes you feel so helpless
Sometimes you feel like you can't win
Sometimes you feel so isolated
You'll never have to feel that way again

You are not alone
You're not alone

Never thought I'd find the road to freedom
Never thought I'd see you smile again
Never thought I'd have the chance to tell you
That I will always be your friend

You are not alone
You're not alone
