I'm all dressed up
And ready to fall in love
Are you ready heels?
Start stomping!

Here I am looking for crime
I'm looking for some action
Wanna have a real good time
And give you satisfaction

So don't you mess around with me
You won't know what to do
'Cause I'll put on my cha cha heels
And walk all over you

Give me, give me cha cha heels
All I want is cha cha heels
Give me, give me cha cha heels
If I don't get my cha cha heels
I'll walk all over you, give me, give me

Dressed up just for trouble
To do what must be done
I'm gonna burst your bubble
The fun has just begun

So don't you mess around with me
You won't know what to do
'Cause I'll put on my cha cha heels
And walk all over you

Give me, give me cha cha heels
All I want is cha cha heels
Give me, give me cha cha heels
If I don't get my cha cha heels
I'll walk all over you, give me, give me

I'm all dressed up
And ready to fall in love
I'm all dressed up
Give me, give me, gimme
Give me, give me

Give me, give me gimme
Gimme gimme

Going back to Boise
I'm itching for a fight
I'm looking for a lover
Who loves my dynamite

So don't you mess around with me
You won't know what to do
'Cause I'll put on my cha cha heels
And walk all over you

Give me, give me cha cha heels
(I want my cha cha heels)
All I want is cha cha heels
(Just give me cha cha heels)
Give me, give me cha cha heels
If I don't get my cha cha heels
I'll walk all over you

Give me, give me cha cha heels
(I want my cha cha heels)
All I want is cha cha heels
(Just give me cha cha heels)
Give me, give me cha cha heels
If I don't get my cha cha heels
I'll walk all over you, give me, give me

Are you ready heels?
Start stomping!
Cha cha heels, cha cha heels
Cha cha heels, cha cha heels
Cha cha heels, cha cha heels
Cha cha heels, cha cha heels
Cha cha heels, cha cha heels
