No complaints and no regrets.
I still believe in chasing dreams and placing bets.
But i have learned that all you give is all you get, so
give it all you got.
I had my share, i drank my fill, and even though i'm
satisfied i'm hungry still
To see what's down another road, beyond a hill and do
it all again.
So here's to life and all the joy it brings.
Here's to life the dreamers and their dreams.
Funny how the time just flies.
How love can turn from warm hellos to sad goodbyes
And leave you with the memories you've memorized
To keep your winters warm.
There's no yes in yesterday.
And who knows what tomorrow brings or takes away.
As long as i'm still in the game i want to play
For laughs, for life, for love.
So here's to life and all the joy it brings.
Here's to life, the dreamers and their dreams.
May all your storms be weathered,
And all that's good get better.
Here's to life, here's to love, here's to you.
May all your storms be weathered,
And all that's good get better.
Here's to life, here's to love, here's to you.
