I don't care what the gossips may say  
I don't care they can gammor all day  
If they dare try to get in my way  
They're aware I don't care what they say

Either way I will do as I please  
Come what may if they're down on their knees  
Who can say if I'm doing it wrong  
For today I'm still here I am strong

I don't care what the people saying  
I will still carry on this way  
Let them jeer let them rant and rave  
I'm still here if I misbehave

I don't care what the trendies may do  
I don't care what they tell me is new  
It's so square, monkey see monkey do  
Let them stare I'm enjoying the view

Through the years I have paid them don't mind  
Through the tears I have left them behind  
By their fears do you think I'm afraid  
No my dears not the slightest phase

I don't care what the people saying  
I will still carry on this way  
Let them jeer let them rant and rave  
I'm still here if I misbehave  
I don't careâ€¦

Some are sad, they say my taste is extreme  
Some get mad, because the Kitt gets the cream  
I have had the eyes of all of the world  
Not too bad for a material girl

I don't care what the people saying  
I will still carry on this way  
Let them jeer let them rant and rave  
I'm still here if I misbehave

I don't care what the people saying  
I will still carry on this way  
Let them jeer let them rant and rave  
I'm still here if I misbehave  
I don't care!

Some are sad, they say my taste is extreme  
Some get mad, because the Kitt gets the cream  
I have had the eyes of all of the world  
Not too bad for a material girl

I don't care what the people saying  
I will still carry on this way  
Let them jeer let them rant and rave  
I'm still here if I misbehave

I don't care what the people saying  
I will still carry on this way  
Let them jeer let them rant and rave  
I'm still here if I misbehave

I don't care what the people saying  
I will still carry on this way  
Let them jeer let them rant and rave  
I'm still here if I misbehave

I don't care what the people saying  
I will still carry on this way  
Let them jeer let them rant and rave  
I'm still here if I misbehave

I don't care what the people saying  
I will still carry on this way...
