ÄœskÄ¼dar'a gider iken aldÄ½ da bir yaÄ°mur 2x  
KÄ¼tibimin setresi uzun, eteÄ°i ÄŒamur 2x  
KÄ¼tip uykudan uyanmÄ½Ä¼, gÄ¼zleri mahmur 2x  
KÄ¼tip benim, ben kÄ¼tbin, el ne karÄ½Ä¼Ä½r?  
KÄ¼tibime setereta palto ne de gÄ¼zel yaraÄ¼Ä½r

(ÄœskÄ¼dar is a little town in Ä°stanbul, Turkey,  
long the shore of the Bosphorus...  
And in the old days, many women, especially those of  
upper classes,  
had young, male secretaries and attendants... Oh, well,  
that's Turkey!)

ÄœskÄ¼dar'a gider iken bir mendil buldum 2x  
Mendilimin iÄŒine lokum doldurdum 2x

(The fine, Istanbulite lady and her secretary take a trip  
from  
ÄœskÄ¼dar in the rain...  
And on the way they fall deeply in love.  
He's wearing a stiff collar...  
In a full dress suit...  
She looks at him longingly through her light veil  
And casually feeds him candy -turkish delight-  
Oh, those Turks!)

KÄ¼tibimi arar iken yanimda buldum 2x  
KÄ¼tip benim, ben kÄ¼tbin, el ne karisir?  
KÄ¼tibime kolali da gÄ¼mlek ne gÄ¼zel yarasir

KÄ¼tibimi arar iken yanimda buldum 2x  
KÄ¼tip benim, ben kÄ¼tbin, el ne karisir?  
KÄ¼tibime kolali da gÄ¼mlek ne gÄ¼zel yarasir 2x
