(whisper : yes yes)

Yes yes yall  
Freak freak yall  
Yes yes yall  
Looks like I'm freakin' some more  
Yes yes yall  
Freak freak yall  
Yes yes yall  
Looks like I'm freakin' some more

Now esoteric lyric  
I'm a spirit  
See I'm looking at my bed and my body's still in it  
Like in a minute sixty seconds  
I reckon  
Like I be floating, not stepping  
But checkin' out the mad levitation  
Immitation b-boys  
Corduroys  
Gazelles  
Kangols  
Fhem fuckers, man them don't know the slang though  
Not like saxon road to ash burton  
Spit mad styles  
So much our fuckin' brains be hurtin'  
For certain  
Were drawing the curtains on pretenders  
Mad mao(? ) will send you on a frantic agenda  
Transport ya like an astronaut  
I caught you  
Skinny, ninenty pounds, ?  
I sought you out  
With the outer body experience  
Transcend space and time  
I'm leaving you delirious  
This shit is serious  
Mysterious like pyramids  
It's stronger than that crack shit  
And that be killing kids

We educated ? our poison is potent  
Like a regular trojan?  
Lee perry ? we floating  
Leave your mike open, ill freestyle till it's broken  
I'm spoken  
I'm floating  
I'm fucking...

Yes yes yall  
Freak freak yall  
Yes yes yall  
Looks like I'm freakin' some more  
Yes yes yall  
Freak freak yall  
Yes yes yall

Looks like I'm spider man  
Spider man  
I does whatever a spider can  
Spins them webs  
Any size  
Flies in your eyes, you cant see the flys

(whispers: oh yes)  
Oh yes
