(I want you to know this)
(I want you to know)
(I want you to know this)
(I want you to know)
(I want you to know this)
(I want you to know)

I want you to know sometimes
It feels like the last time
The last time I'll take you for a ride

Have you ever
(gone by?)
Did you reap the experience?
Ten out of ten?
Ten out of
Ten

Would you ever
??
To the desert
To forget yourself
To forget your

(I want you to know this)
(I want you to know)
(I want you to know this)
(I want you to know)

I want you to know sometimes
It feels like the last time
The last time I'll take you for a ride

Time trickles
Through your fingers
Cup your hands, try and hold some
A second
Is gone

Another second
Is gone
Sted the tide

? like you
Take our love out of context
To protect my self

(I want you to know this)
(I want you to know)
(I want you to know this)
(I want you to know)

Reaching out
Thought that you were mine
Reaching out
Thought that you were mine
Reaching out
I thought that you were mine
Reaching out

And I still
Want you to know sometimes
It feels like
This is the last time

(I want you to know this)
(I want you to know)
(I want you to know this)
(I want you to know)
(I want you to know this)
(I want you to know)
