Shudder, even me?

Any should?

It sends pricks?

The sky's blue

All you have to do is

Speak, speak, speak

Shudder, even me?

Any should?

It sends pricks?

The sky's blue

All you have to do is

Speak, speak, speak

Ever you say, whatever you say

Drag myself down, i can't get away

Shudder, even me?

Any should?

It sends pricks?

The sky's blue

All you have to do is

Speak, speak, speak
