Hold my body tightTightTight
Hold my body tightTightTight
Hold that body
Oh hold me
I c u over thereBody would I love 2 share oh
I hold u in my dreamsBut then I wake upjust a dreamI'd
do anything 4 u
Steal a star down from the sky
Write a song 4 birds 2 singAll I ask of u yeah
Just 1 thing baby
Just 1 thing
Just 1 thing
Hold my body tightAll nightNever let me go
Hold my body tightAll night
Never tell me nohold me
My body's all aloneNeed someone 2 take me home
Talk until the morning lightDon't wanna do yaJust hold
ya tightI'd do anything 4 u
Steal a star down from the sky
Write a song 4 birds 2 singAll I ask of u yeah
Just 1 thing baby
Just 1 thing
Just 1 thing
Hold my body tightAll nightNever let me go
Hold my body tightAll night

Never tell me noHold me
So come and put them arms around meHold me real
closeLike an auraSurround mel need 2 feel ya bodyThe
warmth of ya skinI need 2 know the beautyThe secret
withinAnd while another would be penetratingI'll still be
stimulating
Contemplating on a vision vibrating
Waiting with the key2 set your feelings freeWatcha
gonna do 4 me
'CosI'd do anything 4 u
Steal a star down from the sky
Write a song 4 birds 2 singAll I ask of u yeah
Just 1 thing baby
Just 1 thing
Just 1 thing
Hold my body tight

Hold that bodyAll nightNever let me go
Hold my body tightHold that body
All night
Never tell me noHold me
Hold my body tightHold that body
All nightNever let me go
Hold my body tightHold that body
All nightHold my body tight
