Sometimes you're better off dead

There's a gun in your hand and it's pointing to your head.

You think you're mad  
that you're unstable.

Kicking in chairs and knocking down tables  
In a restaurant in a West End town.

Call the police  
there's a mad man around

Running down underground to a dive bar in a West End town.

In a West End town a dead end world -  
The East End boys and West End girls -  
In a West End town a dead end world -  
The East End boys and West End girls -  
West End girls - West End girls.

Too many shadows  
whispering voices

Faces on posters  
too many choices.  
If - when - why - what  
how much have you got?  
Have you got it  
do you get it? If so

how often?  
Which did you choose  
the hard or soft option?  
Which did you choose which did you choose.

In a West End town ...

You got a heart of glass  
Or a heart of stone  
Heart of glass or heart of stone  
Heart of glass or heart of stone

In a West End Town ...

You got a heart of glass or a heart of stone

Just you wait 'till get you home.

I've got no future

we've got no past

Here today

built to last

in every city and every nation

From Lake Geneva to the Finland station.

How far have you been

How much have you seen

In a West End town ...

In a West End Town in a dead end world

west End girls
