I ain't going to work, ain't going to class  
Going bare feet and kickin' back  
Gonna pacify my lazy bones ambition  
Chillin'

I'm talkin', jet skis and inner tubes  
Pretty girls with big ol' blue eyes  
And wet t-shirts on the river

Just chillin'  
Beatin' the heat of living  
Drink to drink  
Soaking up every minute

Got my thinkin' cap hangin' on a scarecrow  
Got my I don't care ducks in a row  
It ain't no crime to kill a little time  
Chillin'

Good ol' boys sitting on a rock  
Passing a jar and an old flat top singin'  
Seeger, Cash, Bo Diddley and Bob Dylan  
Just a chillin'

Moon comes up and the sun goes down  
Under Candy Fort Bridge they're hangin' out  
Bunch of happy-go-luckies, skinny dippin'

Yeah, we're chillin'  
Beatin' the heat of living  
Drink to drink  
Soaking up every minute

Got my thinkin' cap hangin' on a scarecrow  
Got my I don't care ducks in a row  
It ain't no crime to kill a little time  
Just chillin'

Yeah, we're chillin'  
We're beatin' the heat of living  
Drink to drink  
Soakin' up every single minute

Got my thinkin' cap hangin' on a scarecrow  
Got my I don't care ducks in a row  
It ain't no crime to kill a little time  
Just chillin'

Beatin' the heat of living  
Drink to drink  
Soakin' up every single minute

Got my thinkin' cap hangin' on a scarecrow  
Got my I don't care ducks in a row  
It ain't no crime to kill a little time  
Chillin'

Yeah, we're chillin'  
Oh yeah
