[50 Cent- CHORUS 2X]

Every hood we go through,
All the gangstas around know my whole crew,
We hold it down like we 'sposed to,
Nigga you could front, if you want,
We'll be poppin them thangs,

[Xtacee]

I was crazy wit my knife when I was young,
But as I was growin up, I got introduced to a gun,
I just got in the whip and put the keys in,
And I was shootin niggas for no damn reason,
I was sick, I'll admit it,
Everyone that got shot in the neighborhood was blamin
me that I did it,
But that's over, that's not me anymore,
Now I'm the nigga who smokes up and gets all the
whores,
I do this for respect, I don't need no wealth,
Beef wit me, I'll turn back to my old self,
Take out the glock, and start pressin the trigger,
Till the murder rate in the US is gettin way bigger,
Start beef wit me, you ain't gon wake in the mornin,
Of course it's a threat nigga, I'm done wit the warnings,
When I come around these niggas hide,
I'll say it again, I'll ride or die...for that East-Side!
Yeeeah,

[50 Cent- CHORUS 2x]

Every hood we go through,
All the gangstas around know my whole crew,
We hold it down like we 'sposed to,
Nigga you could front, if you want,
We'll be poppin them thangs,

[Peter Stonez]

So now I made it, I'm up here and big,
I been through the game and the other shit, what's next
up for the kid,
You other crews can't come up like we did,
I find a bitch in a minute, and the next, she comes to
fuck in the crib,
I got game to find one horny chick,

And I got flow, so I keep runnin things around 146th,
I thought I told y'all, you can't dead us,
East-Sidaz, rule everything from Flushing to CP to Bay
Terrace,
If you hate me I'll, hit you so make way,
Keep talkin, fuck the nine, you know what?, I'll just
switch to an AK,
Stop fakin you're not cool, kid,
I'll make ya career go down the drain just like Ja Rule's
did,
Yeah I'm young and my boy here's younger,
But we still got it locked, we bout to party in the
upcoming summer,
So we're on top, keep ya shit where it's at,
And if you see me in a whip, you could bet that there's
a bitch in the back,
Prrraattt nigga,

[50 Cent- CHORUS 2X]

Every hood we go through,
All the gangstas around know my whole crew,
We hold it down like we 'sposed to,
Nigga you could front, if you want,
We'll be poppin them thangs,

[Peter Stonez]
