Yeah,  
Ya boy is back,  
Pete Stonez,  
It's a freestyle,  
Yo,

Y'all know me it's the kid comin through,  
Still lightin up and smokin that shit in the crib wit the  
crew,  
What I did in a month you won't do,  
But it's hard to find a girl in my arms these days that  
won't screw,  
Teenagers go crazy over cum,  
So the next couple of bitches I fuck, just maybe older  
ones,  
After she takes off her clothes, to the shower,  
But I still gotta go the pimp way and switch hoes every  
hour,  
I'm chillin rollin a blueberry blunt,

Sittin back, tryin to figure out how many hoes I screw  
every month,  
If they want me they just call me, they know I'm ready,  
I'll pull up in a 'vette, and I'm talkin bout that '05 Chevy,  
So hop off cause the ball's on my court,  
I been famous in Queens but now I'm known in all of  
New York,  
I'm at clubs and they settin my hits up,  
But if there's bitches, I can't leave a club without gettin  
my dick sucked,  
Yeah,

Haha,  
That's it,  
Mothafuckas,  
What's good,
