Head hurts  
back here again, I  
painted the walls,  
the cracks remain, and  
I fear,  
to close my eyes,  
become accustomed,  
so dig in.  
Every time,  
I breathe this air,  
the sick stench,  
never seems to go away.

You fail,  
You break,  
You freak,  
You falter,  
You lie,  
You kill,  
You burn,  
You're nothing...(x 2)  
to me...

Head hurts  
back here again, I  
painted the walls,  
the cracks remain, and  
every time,  
I breathe this air,  
the sick stench,

it never seems to go away,  
...go away . . .

You fail,  
You break,  
You freak,  
You falter,  
You lie,  
You kill,  
You burn,  
You're nothing...(x 2)

I feel it changing,  
the air...clean...  
it's you...

You fail,  
You break,  
You freak,  
You falter,  
You lie,  
You kill,  
You burn,  
You're nothing...(x 2)
