If the drinks don't calm you
And the smoke burns your eyes
Maybe it's time to duck out
And tell these animals goodnight

Of all the mistakes
If you want to be with him
I never said it was over
just said, "This is it"

It's a long ride I know
But I'll walk you home
With all the answers
The highway's not jammed no more

The broken heroes found out
They're useless and headed
South to warmer shores
It's a long ride I know

But I'll walk you home
'Cause I am the answer
And I am your ride home
And I never said nothing

To that bitch that you called a mom
And I fucked your girlfriend
'Cause I wanted to feel numb
And I am the son of the American Werewolf
