Oh, the closed fist of the outstretched hand,
But, I will if you will.
I won't if you don't.

Oh, the first step of the alpha male,
But, I'll go if you go.
I won't if you don't go.

'Cause I just need head room,
I just need... oh yeah, yeah.
She goes, "Oh, yeah, yeah."

Oh, the exit, I'm not walking out,
But, I'll stay if you stay.
I'll go if you don't.

I'm no modern playboy set for sail,
But, I will if you will.
I won't if you don't go.

'Cause I just need head room,
To let myself go.
I just need out, yeah.
I just need... oh, yeah, yeah.
She goes, "Oh, yeah, yeah."

Oh, the exit, I'm not walking out,
But, I'll stay if you stay.
I'll go if you don't.

Oh, I'm no modern playboy set for sail,
But, I will if you will.
I won't if you don't go,
If you don't go.
