Imagine a dirt road full of pot holes  
with a creek bank and some cane poles  
catchin in channel cat  
Im a little more country than that

Picture a small town with an old hound  
layin out front of the courthouse  
while the old men chew the fat  
Im a little more country than that

\*\*\*

Chorus:

I just want to make sure  
you know just who you're  
gettin under this old hat  
'Cause girl Im not the kind  
of two time ol' play games  
behind your back  
Im a little more country than that

\*\*\*

Think of a Hank song from days gone  
with a steel ride thats so strong it  
sends chills up your back  
Im a little more country than that  
If you wanna brick home in a school zone  
with the doors locked and alarm's on  
girl you're way off track  
Im a little more country than that

\*\*\*

Chorus:

I just want to make sure  
you know just who you're  
gettin under this old hat  
'Cause girl Im not the kind  
of two time ol' play games  
behind your back  
Im a little more country than that

\*\*\*

Yeah, im sure that you've heard those  
three words from others but they fell flat  
But this ring aint something that I mean  
to give you and then take back  
Im a little more country than that  
Im a little more country than that  
Im a little more country than that
