### "Almost Over You"

I saw an old friend of ours today  
She asked about you, I didn't quite know what to say  
Heard you've been making your rounds 'round here  
While I've been trying to make tears disappear

Chorus:

Now I'm almost over you, I've almost shook these blues  
So when you come back around after painting the town  
You'll see I'm almost over you

You're such a sly one with your cold, cold heart  
Maybe leavin' came easy, but it tore me apart  
Time heals all wounds they say and I should know  
'Cause it seems like forever, but I'm lettin' you go

chorus

I can forgive you and soon I'll forget all my shattered  
dreams  
Although you left me with nothing to show, full of  
misery

chorus

When you come back around after painting the town  
You'll see I'm almost over you
