Where I came from there's a place called heaven
That's the place where all the good children go
The houses are of silver, the streets are gold
But there's more where you come from, my sugar walls

Blood races to your private spots, that lets me know
there's a fire
You can't fight passion when passion is hot
Temperatures rise inside my sugar walls

Chorus:

Lemme take you somewhere you've never been
I could show you things you've never seen
I could make you never wanna fall in love again
Come spend the night inside my sugar walls

Take advantage, it's alright

I feel so alive when I'm with you
Come and feel my presence, it's reigning tonight
Heaven on earth inside my sugar walls

chorus

I can tell you want me, it's impossible to hide
Your body's on fire, admit it! Come inside
Come inside my sugar walls
Come spend the night inside my sugar walls
