This man's a child, this man is old  
Sometimes he's mild, sometimes he's bold  
This man I love, sometimes in spite  
I wish he would stick to his guns, or abandon the fight

But when he shines, oh when he shines  
Yes when he shines, he shines so bright

Sometimes a tramp, sometimes a dude  
He changes colour just like aameleon, can't find the mood  
He is a song that's not easy to write  
He is a moon in the morning, and the sun out at night

But when he shines, when he shines, oh when he  
shines, he shines so bright

This man's a gentleman, this man is strong  
This temperamental man plays me along

But when he shines, when he shines, oh when he  
shines, he shines so bright  
Yes when he shines, when he shines, oh when he  
shines, he shines so bright

(Instrumental break)

But when he shines, oh when he shines  
Yes when he shines, he shines so bright
