"Wind Beneath My Wings"

It must have been cold there, in my shadow
To never have sunlight on your face
You've been content to let me shine, you always walked
a step behind

I was the one with all the glory, while you were the one
with all the strength
Only a face without a name, and I never once heard
you complain

Did you ever know that you're my hero, and everything
I'd like to be
I could fly higher than an eagle, 'cause you are the
wind beneath my wings

It might have appeared to go unnoticed, but I've got it
all here in my heart
I want you to know I know the truth, I would be nothing
without you

Did you ever know that you're my hero, and everything
I'd like to be
I could fly higher than an eagle, 'cause you are the
wind beneath my wings
You are the wind beneath my wings
