"We want eazy!"  
Well, clap ya hands then-come on  
Clap ya hands everybody  
Clap ya hands, come on, come on  
Put ya hands together and clap 'em  
Now can y'all say Eazy  
Come on, say it

EAZ-Y  
Everybody come on,  
EAZ-Y...

People from everywhere gather around  
Checkin' out the sound that Eazy is throwin' down  
With some help from Ren and Dre  
Makin' a way with dope style  
Yo Eazy, what ya gotta say

A miracle of modern creation  
Eazy E's on the set  
Hyped up with the bass  
And a little bit of what ya love  
From a brother who's smooth like a criminal  
I mean subliminal  
Otherwise known as a villain  
Because I'm ruthless  
When I spot a sucka, I kill 'em  
But most I think know not to deal with me  
Yo, it's obvious, tell 'em who you came to see

EAZ-Y...

Yeah 'cuz this is the way I know you like it  
So you won't strike it  
I took it and I hyped it  
And now that it's done, I know ya pleased  
At how the E just duz it with ease  
Just imagine a crowd screamin', a girl dreamin'  
Just to get a picture of me 'n' my B-O-Y-Z  
From the H-double-O-D  
N.W.A., down with me  
Strong 'n' I'm ragin'

Turn the page 'n'  
See I'm not a son of a gun  
I'm a gauge 'n'  
Nuthin' can avoid this shot 'cause it's hittin'  
It's so cool when you touch it, wear a mitten  
I'm comin' off raw into ya speaker  
Makin' the suckas on the street feel weaker  
But most I think know not to deal with me  
Yo, it's obvious, tell 'em who you came to see

EAZ-Y...

Aw, never, I'm just too clever  
So, in fact, that no one can sever  
A blow from a maniac and yo, I make it clear  
So a register is all I hear  
Money overturned, then I jet  
To make another hit, for you to go and get  
Record stores sold out because you love it  
Another example of how Eazy duz it

EAZ-Y  
We want Eazy...
