I need to change the direction of my life
Other way to think, other way to feel
My mind is infected
IÂ´m tired to do what they told to me

I need a chance, I need a change
I need a new way
I must erase my emptiness

Maybe this lifeÂ´s not so important
Maybe this life is just a farce
Maybe itÂ´s just a fancy dress party
Who will deprive me of this privilege

Changes
All around me still remains insanity
Changes
All inside me, Revolution!

Oppression, resistance
ItÂ´s true, itÂ´s a lie

The party in my mindÂ´s beginning
Our life turns into a lie
IÂ´m not able to make out the present
I canÂ´t even know if I am real

I canÂ´t distinguish
Between present and past
I canÂ´t even know if I am real
