

Easy Rider "Eternal Sin"

Visit "[Eternal Sin](#)" on MotoLyrics.com

Awakening in my cold room
Another day waiting 'till
Redemption sets me free
Long and useless waiting
Memories come to my mind
Guilt inside my heart

Eternal sin tormentor
The torture never stops
I can't go on
I'd wish to think
It's only a nightmare in a dream
So hard to feel no pain

Dying day by day
Unconscious life when there's no fate
Uncoloured shades of grey
If I could go back in time
If I could change what I made wrong
If I could live my life
