They converged in Judah for the battle plan  
From the hill the Philistines did shout to them  
"Send us one of your men, we defy Israel today"  
With this said they brought forth  
Who they called champion  
"Yes, fear Goliath for by him you'll be our slaves  
Behold Goliath, you will fear his name"  
And they were dismayed  
But one man would stay  
And this was David and he took the challenge  
To kill Goliath and to this he'd swear  
Now King Saul told David  
"The Lord walks with you"  
David left to meet his fate  
He approached the giant  
And with sling and stones in hand  
He did hurl the rock and struck him down  
Killed him dead  
He killed Goliath, he did while others fled  
Brought down Goliath and he took his head  
And they were dismayed  
But one man would stay  
And this was David and he took the challenge  
To kill Goliath and to this he kept his promise  
"Yes, fear Goliath for by him you'll be our slaves  
Behold Goliath, you will fear his name"  
And they were dismayed  
But one man would stay  
And this was David and he took the challenge  
To kill Goliath and to this he kept his promise

[Spanish:]

Goliath

Se reunieron en Judá para planear la batalla  
Desde la colina los filisteos les gritaron  
"enviarnos uno de vuestros hombres, hoy  
Desafiaremos a Israel"  
Con esto dicho, ellos les trajeron  
Al que llamaron campeón  
"si, teme Goliath, por él serás nuestros esclavos"

Observa Goliath, temerÃ¡is su nombre"  
Y estaban consternados  
Pero un hombre se mantendrÃ¡a  
Y este fue David, y aceptÃ³ el desafÃ­o  
De matar a Goliath y asÃ­ lo jurÃ³  
Ahora el rey Salomon dijo a David  
"el seÃ±or estÃ¡ contigo"  
David se fue para encontrar su destino  
Se aproximÃ³ al gigante  
Y con honda y piedras en mano  
ArrojÃ³ la piedra y lo abatiÃ³  
Lo matÃ³ al instante  
El matÃ³ a Goliath, lo hizo mientras otros huyeron  
AbatiÃ³ a Goliath y cogiÃ³ su cabeza  
Y estaban consternados  
Pero un hombre se mantendrÃ¡a  
Y este fue David, y aceptÃ³ el desafÃ­o  
De matar a Goliath y asÃ­ mantuvo su promesa  
"si, teme Goliath, por Ã©l serÃ©is nuestros esclavos  
Observa Goliath, temerÃ¡is su nombre"  
Y estaban consternados  
Pero un hombre se mantendrÃ¡a  
Y este fue David, y aceptÃ³ el desafÃ­o  
De matar a Goliath y asÃ­ mantuvo su promesa
