You've never feared the darkness
But now things have changed
I am the stories now come true
You'll be lucky if you see the day
The TV tells of all the nasty things I do
They say they're onto me,
They haven't got a clue
You'll be lucky if you see the day
For I've been only one step away
I'm your nightmare
You'll call me by name
I'll make you my own
You will feel my pain
Something about the night time
Touches me inside
Tonight I'll show you paradise
The adrenalin flows through my veins
You will share in my limelight, my fame
I'm your nightmare
You'll call me by name
I'll make you my own
You will feel my pain
Don't be scared now my love
For soon I will set you free
Let us dance into eternity
I'm your nightmare, I'll always be near
I'm the chill in your spine, the voices you hear
I'm your nightmare, the master in black
Nightmare, don't turn your back
Nightmare, see you in your dreams

[Spanish:]

Pesadilla

Nunca has temido la oscuridad
Las cosas ahora han cambiado
Soy las historias hechas ahora realidad
Tendr is suerte si ves el d a
La tv cuenta todas las cosas asquerosas que hago
Dicen que me siguen la pista
No tienen ni idea

Tendr is suerte si ves el d a
Para el que he estado solo a un paso
Soy tu pesadilla
Me llamar is por mi nombre
Te har  m a
Sentir is mi dolor
Algo por la noche
Me toca por dentro
Esta noche te ense ar  el paraiso
La adrenalina fluye por mis venas
Compartir is en mi primera p gina, mi fama
Soy tu pesadilla
Me llamar is por mi nombre
Te har  m a
Sentir is mi dolor
No tengas miedo ahora, mi amor
Pronto te liberar 
Bailemos hacia la eternidad
Soy tu pesadilla, siempre estar  cerca
Soy tus escalofr os, las voces que oyes
Soy tu pesadilla, el maestro de lo negro
Pesadilla, no des la espalda
Pesadilla, nos vemos en tus sue os.
(despidi ndose)
