The legend was told
Whispered from mouths of long ago
All spoke of the young bride
And her man of the sea
How he would leave each morning
And she'd wave and wish him well
She knew that each time might be goodbye forever
Then one night he did not return
From the cliffside she would learn
She could not accept
That her man would now never come home
She cried one last tear
And with the crash of a wave she was gone
Seasons did pass (like the wind)
And through the town the voices told
Of how they have seen the ghost at last
Silhouette under bright moonlight
You could hear her cry at night
Crying for her lost love
Only now, only a memory
Spectre of sorrow
From the cliff of eternity
She stands, she stands
Watching the sea
She stands, she stands
There she will be
Spectre of sorrow
From the cliff of eternity
She stands, she stands
Watching the sea
She stands, she stands
There she will be

Alma En Pena

La leyenda se cont a
Susurrada de boca en boca hace tiempo
Todos hablaban de la joven novia
Y su hombre del mar
Como  l se ir a cada ma ana

Y ella lo despedir a y le desear a suerte
Ella sab a que cada vez pod a ser adi s para
siempre
Entonces una noche  l no volvi 
Desde la orilla del acantilado ella se enterar a
Ella no pudo aceptar
Que su hombre ya nunca volver a a casa
Llor  una  ltima l grima
Y con el golpe de una ola ella se fue
Las estaciones pasaron (como el viento)
Y por la ciudad se cuenta
De c mo han visto al fantasma al fin
Silueta bajo el brillo de la luna
Pod as o r su llanto por la noche
Llorando por su amor perdido
Solo ahora, solo una memoria
Espectro de pena
Desde el acantilado de la eternidad
Ella sigue, ella sigue
Mirando el mar
Ella sigue, ella sigue
All  estar i
Espectro de pena
Desde el acantilado de la eternidad
Ella sigue, ella sigue
Mirando el mar
Ella sigue, ella sigue
All  estar i
