Alone, on a lonely highway I drive
The dusk it illuminates through
The clouds in the sky
It's funny how beauty can also bring sorrow
I can't clear these thoughts from my mind
Of that night
When suddenly
You were gone from me
It's easy, easy to take things for granted
As we yearn for the colors of fall
When they are gone
I feel as cold as the winter upon us
Words can't describe
How empty my world's become
Since that night
When suddenly
You were gone from me
Suddenly
I was too blind to know you'd leave
Suddenly
You were gone from me
Suddenly
I was too blind to see
Suddenly
Baby I wish I could have made things right
Suddenly
I was too blind to know you'd leave

[Spanish:]

De Repente

Solo, en una solitaria carretera conduzco
El anochecer ilumina a trav s de
Las nubes en el cielo
Es curioso como la belleza tambi n trae pena
No puedo borrar los recuerdos de mi mente
De aquella noche
Cuando de repente
Te fuiste de mi lado
Es f cil, f cil dar las cosas por zanjadas
Como juramos por los colores del oto o

Cuando no estÃn
Me siento tan frÃo como el invierno que tenemos
No se puede describir con palabras
CuÃn vacÃo se ha vuelto mi mundo
Desde aquella noche
Cuando de repente
Te fuiste de mi lado
De repente
Estaba demasiado cegado para saber que te irÃas
De repente
Te fuiste de mi lado
De repente
Estaba demasiado cegado para ver
De repente
Nena, ojalÃi pudiera haber hecho las cosas bien
De repente
Estaba demasiado cegado para saber que te irÃas
