She was a mystery
Those she'd touch believed
If you seek to know her name
She goes by the one who knows
The one who knows
The one who knows
Of the unknown
From what I learned and what's been told
Blind at birth and yet she could see
Within her mind the scenes would unfold
Forever cursed she'd be
The one who knows
The one who knows
Of the unknown
Visions they haunt her
Predictions they haunt her more
Oh no more
Oh no more
Oh no more
No more
[repeat]
Visions disturb her
Predictions of murder
Visions of blood red skies they flow

[Spanish:]

Visiones

Ella era un misterio
Aquellos a los que tocara creían
Si buscas conocer su nombre
Se la conoce como la que sabe
La que sabe
La que sabe
De lo desconocido
De lo que aprendí y de lo que se ha contado
Ciega al nacer y aún no podía ver
Dentro de su mente las escenas se revelarían
Maldita para siempre estaría
La que sabe
La que sabe

De lo desconocido
Visiones, la persiguen
Predicciones, la persiguen mas
Oh nunca mas
Oh nunca mas
Oh nunca mas
Nunca mas
[repetición]
Visiones, la molestan
Predicciones de asesinatos
Visiones de cielos rojos de sangre le fluyen
