In the next world war, in a jackknifed juggernaut  
I am born again  
In the neon sign, scrolling up and down  
I am born again

In an interstellar burst  
I am back to save the universe

In a deep, deep sleep of the innocent  
I am born again  
In a fast German car, I'm amazed that I survived  
An airbag saved my life

In an interstellar burst  
I am back to save the universe

In an interstellar burst  
I am back to save the universe  
In an interstellar burst  
I am back to save the universe
